

Kindness Blooms in 2nd Grade Bulletin Board

Dear MED Families,

October is Bully Prevention Month. As part of Bully Prevention Month we will be visiting your child's classroom for Guidance Lessons geared towards Anti-Bullying and Kindness.

National Unity Day is Wednesday October 19th, 2016. Please have your student wear something *orange* to show their support on Unity Day for anti-bullying awareness. We will be having students sign an anti-bullying pledge to be displayed throughout the building. All students who sign the pledge will be given an *orange* friendship bracelet.

In addition, we will be holding grade level assemblies geared towards anti-bullying. Please see the important upcoming dates listed to the right.

A special thanks to the MED PTA for their support and generous donations for Bullying Prevention Month. We look forward to cultivating the unity and compassion in our building with our wonderful Chatham Community!

Sincerely,

Mrs. Bradley & Mrs. Morgan

MED School Counselors
